ARCHITECTURAL HARDWARE

KITCHEN HANDLES / CABINET KNOBS / FLUSH PULLS / HOOKS / DOOR STOPS

“Form follows function”

Lois Henry Sullivan

American Architect (1856 - 1924)

The quote means that the shape and design of a building or object should be primarily based on its intended purpose and function, rather than on aesthetic considerations alone.

About

About Mardeco International

Mardeco International Ltd. is an independent, privately-owned New Zealand company based in Auckland, New Zealand. We have been Importing designer architectural hardware for over 23 years now, sharing products from various corners of the world with kitchen and furniture manufacturers, hardware wholesalers and retailers, architects, interior designers, and kiwis throughout New Zealand looking to add a touch of sophistication to their homes.

Architects and interior designers have specified our products in various projects in New Zealand, Australia, UK, Europe, South Africa, the USA, Mexico and the Pacific islands.

Our close-knit team values innovation and excellence, which has led us to create our popular range of sliding door hardware, the M-series and our S-Line handrail brackets. Furthermore, we import fantastic products such as Mardeco kitchen and cabinet hardware, JNF architectural hardware, CL cabinet locks, and Groël door handles. We adhere to high standards of perfection and import only the best products.

Mardeco is all about quality, design, and good service. We believe in looking after our clients and ensuring that they can get the products they're looking for when they need them.
